

Non-CSMS related Outreach ideas:

** Most of the events below are established programs and probably would not allow you to do Outreach related to CSMS research. If any of the events below do allow you to do CSMS related Outreach, please let Dr. Du know (ex: maybe Avenues of Scientific Discovery and Expanding Your Horizons?) so we can list them on the CSMS Outreach idea list.*

Moorhead Public School District

* contact Denelle Dauner ddauner@moorheadschoools.org who is one of the coordinators
